

Discoveries from... The Dukes MISSIONARIES TO PERU

April 2007

Dear Friends and Prayer Warriors,

"One of our ladies accepted Christ as her Savior as a direct result of Laura's testimony. She said that she was letting pride get in the way of her relationship with Christ. We had 7 more come to Christ the next weekend." WOW! When we receive emails like this one, our hearts rejoice! What an honor to be used by God! As deputation missionaries, sometimes we allow our testimonies to become routine. What a shame! We should have the same passion as the day we received the glorious gift of salvation! We never know who God has put in our path to hear how He changed our life. We should always be bold and passionate just as Christ was when he suffered, died and rose again just for us!

"...and be ready always to give an answer to every man that asketh you a reason of the hope that is in you..." 1 Peter 3:15

The end is in sight! We are just under 11 months left of deputation. The first weekend in May takes us to South Florida to begin our language studies. We will be focusing on language during the week and then traveling to churches on the weekend to finish raising the last 30% of our support. God has opened some doors and we are excited to walk through them! We are so anxious to get to Cusco. Our teammate has reported this past weekend saw 48 souls saved! If we could be there tomorrow we would, as our hearts are already there!

Thank you for your prayers and God Bless you!

Daniel & Laura Duke

Here are a few highlights of our last months...

- Since our last letter we have been to churches in:
Florida, Texas, Ohio, Arkansas, Colorado, Kansas, Missouri
- The ministry in Cusco, Peru is flourishing! Over 1500 attending "Sports & Bible" Days, with 48 Peruvians coming to Christ!

Prayer Needs

- Relocating to Florida on May 5 to begin language studies as we raise our final 30%
- Quickly comprehend, adjust, and enunciate the Spanish language

Support Report

- We are presently seeing 67% of needed support coming in
- That's a 7% raise with over 10% more promised this month

February support	
March support
