MISSIONARIES TO PERU

June 2007

Dear Friends and Prayer Warriors,

Hola de Florida! We arrived in Miami on the 4th of May and were overwhelmed by the way that the people of International Bible Baptist had welcomed us. We are living in a duplex that was completely furnished by the members of the church. Wow, we will finally have a place to call "home", at least for a while! We have really enjoyed the bilingual services at IBB. We attend the Spanish service, followed by the English service. We are then able to test ourselves and see how much we really do know. We are learning from a certified Spanish teacher that is a member of the church here. Again, God has been so good to us! He has provided above and beyond what we thought and we are so thankful for His guidance! We were able to spend some time with our teammate this last month, and we are so excited to see & hear what God is doing in Peru. Only nine months until we depart, but our hearts are already

Gen 12:1 "...the Lord had said to Abram, Get thee out of thy country, and from thy kindred...unto a land that I will show thee:"

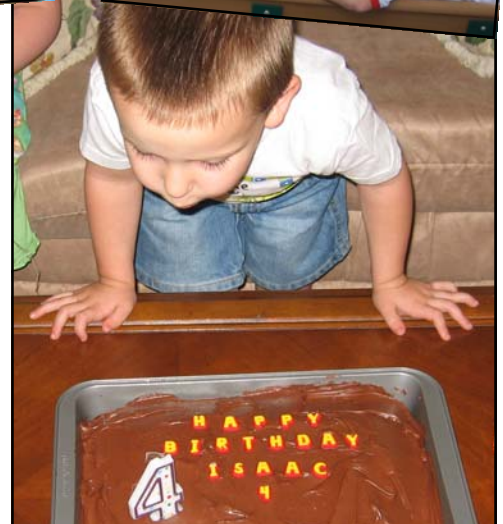

there! We are now closer than ever to reaching the goal of being in Peru...of being to that land He will show us! Thank you for your prayers and support!
