The Dukes MISSIONARIES TO PERU

Dear Friends and Prayer Warriors,

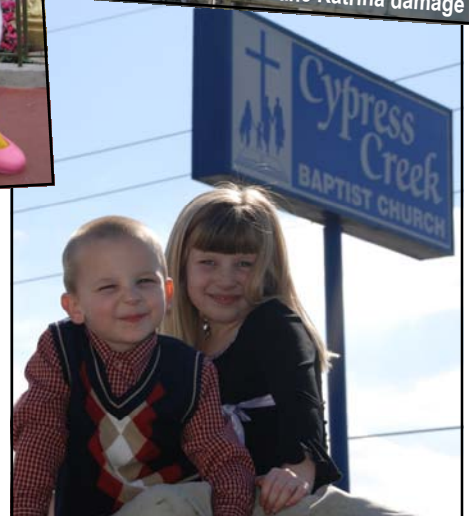

It's hard not to think about what the Lord is doing in other parts of the world with what we have seen and experienced lately. For instance, a church increasing their missions giving by over 40%, or having the opportunity to teach your child the act of giving, or even feeding the homeless in the name of Jesus. How our FAITH has been ENLARGED!! Yet with all this joy we have seen and experienced, our hearts are drawn even more and longing to share that Hope of Christ with those in Cusco, Peru.

Hebrews 11:1 "Now faith is the substance of things hoped for, the evidence of things not seen."

During January we visited the Biloxi, MS area, and were immediately in awe of the destructive power of "Katrina's" wrath well over a year ago! Pictures just don't give credence to that powerful experience. Yet again, God is in control. WAS, IS, and WILL FOREVER BE! Our minds and hearts continually travel back to the land of the Inca's...to the need...to the faces...to the opportunity and joy...to share Jesus!
